Open Forum

Five Minutes

Closing

The School Advisory Committee (SAC) is composed of equal numbers of elected parents and elected school employees. There are also elected high school students. The purpose of the SAC is to advise the Principal on all school matters within their jurisdiction to include:

- School policies toward students and parents, student activities, and administrative procedures affecting students
- Instructional programs and educational resources within the school
- Allocation of resources within the school to achieve educational goals
- Pupil services (health, special education, testing, evaluation, counseling, and extracurricular activities)
- Student standards of conduct and discipline
